- Anesthesia call provided 24/7
- Office is located in the hospital
- Flexible schedule

Facility Highlights

- Brand new replacement hospital opened in May 2015
- State of the art operating room equipment
- Preston Memorial Hospital (PMH) is a 25-bed, critical access hospital
- PMH is a member of the Mon Health System, a large, community based hospital system in Morgantown, WV
- Other physician specialty areas provided include Family Practice, Cardiology, Neurology, ENT, Gynecology, Urology, Pulmonology, Sleep Medicine, and Podiatry
- Employed position with competitive compensation package and comprehensive benefits
- Benefits include: malpractice insurance, vision, dental, 401(k), paid days off, flexible spending accounts, bonus incentives, relocation allowance, CME allowance, and a signing bonus.

PMH is the only hospital in Preston County and has been serving the community for over 60 years. PMH allows medicine to be delivered, as it should be in a small town atmosphere where you get to know your patients and their families.

Preston County and the surrounding areas offer an abundance of activities like whitewater rafting, rock-climbing, downhill and cross-country skiing, hunting, fishing, hiking, golf and lake access for boating and other watersports. Nearby in Morgantown is located West Virginia

University which hosts many arts and athletic events, including football, basketball and soccer. Morgantown is also home to a minor league baseball team, the Black Bears. Pittsburgh, PA, and Baltimore, MD, are also a short drive away, making this a great location for numerous arts and entertainment activities.

If you would like to learn more about this very desirable opportunity, please contact Melissa Lockwood, President and CEO, of Preston Memorial Hospital at (304) 329-4704.
